Day 8

Taupo to Napier

The road from Taupo climbs high onto the plateau crossing the Ahiminawa Range before arriving onto the Pacific Coast just north of the world's finest art deco city of Napier.

Napier, the city by the sea, is renowned for its 1930s Art Deco architecture, events such as the Art Deco Weekend in February, stately Norfolk pines, surrounding wineries and local fresh produce. Supported by a Mediterranean climate and over 2,200 hours of sunshine a year this popular year-round destination boasts a vibrant cafe culture amongst the splendour of the Art Deco buildings. Around 30 cafes are within walking distance of the central city area, while Ahuriri, just over Bluff Hill, is home to a further cluster of up market establishments. Marine Parade overlooks the Pacific Ocean and out towards Cape Kidnappers, home to the world's largest mainland gannet colony. A full day can be taken visiting Ocean Spa hot pools and swimming complex, the Hawke's Bay Museum and the National Aquarium of New Zealand.

A landmark of Napier is Bluff Hill, which is home for many Napier residents and provides views of the town, beaches of Perfume Point and Westshore and out towards Whirinaki. Bluff Hill also overlooks the Port of Napier, one of New Zealand's busiest ports, transporting timber, local fruit and meat products to worldwide destinations.

In 1931, New Zealand's greatest natural disaster struck Hawke's Bay. At 10.47am on Tuesday February 3rd, an earthquake of magnitude Richter 7.8 struck. In a minute and a half, in two separate shocks, the centre of Napier was almost totally destroyed. Fires quickly broke out and reduced to ashes or gutted what the tremors had left standing. Damage in Hastings was also devastating, although the fires were contained. Wairoa and the smaller towns to the south as far as Dannevirke were affected. There were 258 deaths, 162 in Napier, 93 in Hastings and 3 in Wairoa along with many injuries. The reconstruction of Napier and Hastings were costly but the benefit was two modern cities and the Ahuriri Lagoon, or Inner Harbour as it was usually known, was raised over 2 metres, creating the land, which Napier desperately needed to expand.

The Farm at Cape Kidnappers

With spectacular panoramic views of the Pacific Ocean, nestled among 6,000 acres of rugged coastal farmland, The Farm at Cape Kidnappers offers a multitude of activities within a five-star luxury setting. Offering many comfortable spaces to relax and unwind, including an intimate snug, stylish lounges, outdoor conservatory areas - there is no better way to take in this picturesque landscape.

A trip to Mission Estate touted as the birthplace of NZ wine can't be missed. For the truly enthused head out on a tour of the vines. Those into Gatsby will enjoy the chance to view prominent Art Deco landmarks on a 1930s Vintage Car Tour. Passengers will spend just over an hour learning about the history of the city's architecture including the Napier Municipal Theatre, one of the top ten Art Deco Buildings in the world. If you're after some fresh air, hire a bike and take your pick of one of over 200km of cycling trails or head on down to one of the many beaches that ring the area. Ocean or Waimarama beach are good choices and both are patrolled by surf lifeguards during the summer. Indulge in some local produce and head out on a cheese, chocolate, honey or orchard tour.

Explore Christchurch City

Following the 2011 earthquake that razed its center and much of the outlying suburbs, Christchurch is well into a billion-dollar makeover. In the middle of the Canterbury Plains, bordering the pacific ocean, New Zealand's newest city is an ideal gateway to exploring the middle of the South.

Go punting on the Avon River, take a historic tram ride, catch the gondola to the rim of an extinct volcano or do all three! See the world's only Cardboard Cathedral and for nature enthusiasts - wander the renowned Christchurch Botanic Gardens, or head to Oxford Terrace in the city to find a great spot to eat or drink.

Drive an hour in any direction to ski, mountain bike, wine taste, whale-watch, bungee jump or play golf. Take the winding Port Hills road to the French settlement of Akaroa and tour the vines in Waipara for an authentic New Zealand wine-tasting experience.

Hot Air Ballooning is a magical experience and a flight with Ballooning Canterbury offers panoramic views across the fertile Canterbury Plains to the Southern Alps. There is nothing quite so romantic and exciting as floating effortlessly over an ever changing landscape.

Before leaving the ground, the pilot will give you a briefing. During your flight you will experience spectacular views and have fantastic photo opportunities. Chilled champagne, orange juice and a light snack then be served. Hot air ballooning is a hands-on experience and you will be encouraged to assist with the setup and pack away of the balloon itself.

Day 7

Franz Josef to Arthur's Pass National Park

Driving north on State Highway 6 you pass through many small West Coast towns. Hari Hari is the township that Guy Menzies decided to land in (or rather crash land) as he became the first person to fly solo across the Tasman. Ross is the site of an old gold mining town and some of the old buildings remain. You can even pan for gold. The craft and gift stores in Hokitika are excellent with a great range of locally made items and if you want to explore further here then the Hokitika Gorge is worthy of a detour.

State Highway 73 is the main road between the West Coast and Christchurch and the scenery is spectacular, even in the rain and there is a pretty good chance of rain in the high alpine mountains. With hundreds of waterfalls cascading down the bush-clad hillsides, it's not a road to be rushed. Originally the road was a pass used by Maori as they made their seasonal passage to look for the greenstone abundant in the West Coast mountains. When the gold rush hit the West Coast in the late 1800's then a road was quickly developed and not soon after the train. Today the main use for the track is transporting coal to Lyttelton Harbour but once a day the now world famous TransAlpine Scenic Train takes a few hundred tourists and visitors between the two oceans.

The Otira Gorge on the Western side of Arthur's Pass features a remarkable piece of engineering with the road passing high on a viaduct through this large valley. This is a recent addition to the route as the old road was washed away in a rock fall a few years ago. There are numerous lookout points giving great views of the valley and its engineering feat but watch out for the local residents, the kea. this bird is the world's only alpine parrot and can be extremely cheeky.

Arthur's Pass Township is a bustling place in the peak season with many walkers and adventurers using it as a base for the forays into the mountains of Arthur's pass National Park. The Department of Conservation centre here has an excellent display of the local history and is a great source of information for the many short walks in the area.

Your accommodation: Wilderness Lodge, Arthurs Pass

Wilderness Lodge sits on it's own 3,000-hectare nature reserve and merino sheep farm and is surrounded by the mountains of Arthur's Pass National Park. Join nature guides to walk, canoe and discover kea parrots, giant buttercups, pygmy forests, alpine flower gardens and waterfalls.

Meals included: Breakfast, Dinner

Day 8

Day 9

Arthur's Pass to Kaikoura

Travelling from the Southern Alps to the Coast, this drive offers spectacular views of braided river valleys. You'll travel through Castle Hill Scenic Reserve, dotted with remarkable rocky outcrops, popular for hiking.

Descending onto the Canterbury Plains, you'll travel through the rich farmland surrounding Christchurch before turning North through the small towns of Rangiora and Oxford. You'll then travel on State Highway 1 through the Waipara Valley. If you have plenty of time be sure to stop at Hanmer Springs for a soak in the hot mineral pools.

The road hugs the coast for the final stretch of this drive, before arriving at your destination, Kaikoura. Keep a lookout for dolphins as they are often seen swimming just off the coastline as well as New Zealand fur seals basking by the roadside.

SUGGESTED ACTIVITY - Ocean's Cabin with Whale Watch Kaikoura

Experience New Zealand's only marine based whale watching company. Whale Watch Kaikoura offer a once-in-a-lifetime, up close encounter with the giant Sperm Whale. You are also likely to encounter New Zealand fur seals, dusky dolphins and albatross. Depending on the season you may also see pilot, blue and southern right whales as well as migrating humpbacks. Often orcas can be spotted here and the world's smallest dolphin, the Hector's, occasionally make an appearance.

Cruise in style on modern catamarans, specifically designed for whale watching, featuring large passenger cabins and outside viewing decks. Passenger numbers for each tour are kept below the vessel carrying capacity to ensure your tour experience remains a personal one.

Your accommodation: Hapuku Lodge & Tree Houses

Hapuku Lodge was built to give guests a great night's sleep in one of the most beautiful places in the world. The Lodge sits tight between the mountains and the ocean, on a deer stud and olive farm.

Meals included: Breakfast, Dinner

Day 10

Kaikoura to Blenheim

Heading north from Kaikoura, the road hugs the shore for approximately 50 kilometres and offers many opportunities to view the native wildlife such as seabirds and New Zealand fur seals. One of the best seal watching locations is Ohau Point (25km north of Kaikoura), where you can observe the adults on the shoreline and the pups frolicking in the water, just a short walk from the road (signposted). As you drive you will have turquoise waters of the South Pacific Ocean to your east and to the west the towering Kaikoura Ranges. Crossing the dry hills of the Marlborough ranges you head towards Marlborough, New Zealand's largest wine producing region. Blenheim sits right at the heart of Marlborough and is ideally located to enjoy an afternoon sampling the local produce. A great way to do this is to take a guided wine tour with Sounds Connection Wine Tours.

Your accommodation: The Marlborough Boutique Hotel & Vineyard

The Marlborough Boutique Hotel is located right in the heart of the Marlborough wine region, close to the township of Blenheim and just 25 minutes from the Marlborough Sounds. Providing the ultimate retreat to indulge in New Zealand's gourmet province.

Meals included: Breakfast, Dinner

Day 11

Blenheim to Abel Tasman National Park via Queen Charlotte Drive

Take a short drive to the small port of Picton where the Interislander ferry connects with Wellington. A bustling seaside destination, Picton is well equipped with shops, cafes and is also the starting point for the famous Queen Charlotte Walk. You'll travel along Queen Charlotte Drive, traversing the length of the Marlborough Sounds coastline. Magnificent views are abundant so be sure to make time to stop and enjoy the scenery as you go.

Continue through the small port town of Havelock, home to a variety of cafes and restaurants. The highway between Nelson and Picton crosses the pelorus river, and at this junction you'll find the famous pelorus bridge. From here there are a number of forest walks, the most popular a 30 minute loop through beech, rimu, and totara forest. Traverse Tasman Bay passing through Motueka to arrive on the outskirts of Abel Tasman National Park.

SUGGESTED ACTIVITY - Half Day Guided Kayaking in the Marlborough Sounds

The half day guided sea kayak trip is an ideal opportunity to fit a little kayaking adventure into a busy holiday itinerary. After a short safety briefing you'll be in the water, allowing you maximum time to enjoy the tranquil waters of the Queen Charlotte Sound. Starting at Ngakuta Bay you then paddle out of the bay and into Grove Arm. The sound is surrounded by bush-clad shorelines and sandy beaches. There will be a short stop to enjoy a light refreshment break along the way before returning to Picton. It is important you read and understand the risks associated with this activity. Day 13

Marahau to Punakaiki

The drive today takes you along the Buller Gorge and offers some wonderful scenery as you follow this magnificent river. The town of Murchison is a quiet place and a great lunch stop. Underneath its sleepy farming facade is an adventurers' paradise with white water rafting, kayaking, 4WD trips, and some great trout fishing.

The first major town (by this region's standard) is Inangahua and a small museum tells of the earthquake that hit the region in 1968 leaving 70% of the buildings damaged or inhabitable. Further along the river one of the must-stop places is Whites Creek and New Zealand's longest swing bridge. Crossing the river you get magnificent views of the gorge and once on the other side, there are short bush walks, jet boat rides, and some of the historic gold mining remnants.

The port town of Westport is the largest on the Northern West Coast. A history of gold mining, logging, fishing coal mining gives the town a hard-working feeling. And to reward the hard workers the town has an extraordinary amount of pubs.

There are plenty of activities here such as caving, bush walks, and surfing but one of the most popular is to take a trip to Tauranga bay and the seal colony. Just 15 kilometres south at Cape Foulwind (named by Captain Cook for the difficult sailing conditions and not the smell of the seals!), you will find a breeding colony of New Zealand fur seals. A well-marked and easy 10-minute walking track takes you to the colony where you can see the creatures lazing around or swimming in the ocean.

The spectacular West Coast coastline guides you to Paparoa National Park and to Punakaiki where a walk along the paths around the pancake rocks is a must. Please note there is no supermarket facilities in Punakaiki.

The journey between Dunedin and Invercargill travelling via The Catlins is one that should not be rushed. Taking the eastern half of the Southern Scenic Route the road offers some great Southland and coastal scenery and some fantastic walking opportunities. Kaka Point is located on Molyneux Bay. Nugget Point, just a short drive along the coast road offers spectacular Southern Ocean views with fur seals and sea lions basking on rocks, while Cannibal Bay, just a few kilometers from the main road is a great place to walk the secluded beach and to look for hooker sea lions. Take your time on this drive to explore the many bays, beaches and wonderful scenery. Continue along to Invercargill, the capital city of the Southland Region. The drive from Invercargill to Te Anau passes through some wonderful and often overlooked regions of Southland. Riverton is Southland's oldest community established by whalers in the 1830's and many of the original cottages have survived throughout the town. The Riverton Early Settlers Museum tells the story well. Orepuki on the coast was once 'almost' a gold town but the fine dust proved too hard to extract commercially. You can still sometimes see gold dust in the beach sand at Monkey Bay. The early sawmilling settlement of Tautapere is next, known as the 'hole in the bush' the town features an attractive domain. A little further north is the Clifden suspension bridge which dates back to 1899. The Blackmount Road offers some great side trips if you have the time and one, in particular, is the 50-kilometre round trip to Lake Haruoko, New Zealand's deepest lake. The Blackmount Road continues to the small township Te Anau which is the gateway to Fiordland National Park.

Fiordland Lodge

Set on a superb site with commanding views out across Lake Te Anau this is a rural setting with rolling grass lands surrounding the Lodge, Lake Te Anau being a mere ten-minute walk away. Across the lake to the west lie the mountains of Fiordland National Park, an area of over three million acres of untouched wilderness and part of the much larger South West New Zealand World Heritage Area. The enjoyment of food and wine is integral to the experience on offer at Fiordland Lodge and the use of quality ingredients being seasonal and regional and largely organic are fundamental to their cuisine philosophy. Food is a focal point and you'll be hard pressed to find something on the menu that isn't homemade or locally grown. A changing evening menu also means that you get to experience as much of New Zealand's wonderful food as possible. Waipara region

The Waipara Valley is situated only 40 minutes drive north of Christchurch City. The fastest growing wine region in New Zealand, it is home to around 80 vineyards covering more than 1,200 hectares of plantings. Tucked at the base of the Teviotdale hill, it is sheltered from cool easterly winds but open to warming north west winds. The valley has three general sites, valley floor, hill slopes or river terraces. The soil types include; gravely deposits on flats and terraces in the central and west of the valley, limestone derived clays on hillsides and valley floor to the eastern side and gravely loams over alluvial subsoil in the southern part of the region. The north facing sloping terrain provides an ideal sun trap for fruiting vines.

This gives each vineyard unique characters that contribute to a range of wine styles. The Terroir combined with the long hot autumn period helps produce unique richer, spicier Pinot Noirs and Rieslings regional specialities. Other varieties of note include Pinot Gris, Chardonnay and Sauvignon Blanc. Vineyards of note include Pegasus Bay with its award winning restaurant and Mud House which also has a cafe linked to the cellar door.

Another great local attraction is The Weka Pass Railway. This historic rural railway uses both vintage steam and diesel-electric locomotives on 12.8 km of scenic line through the unique limestone beauty of the Weka Pass out of Waipara, where superior weather patterns provide crystal clear air and high sunshine hours. Open most Sundays and public holidays during the summer months.

Akaroa & the Banks Peninsula

The Banks Peninsula lies just around 1 hour from Christchurch city centre. Formed by ancient volcanic eruptions the regions first settlers were Maori who recognised its potential for shelter and food. The sealers and whalers followed them and European colonists founded and settled Akaroa, Little River and Lyttelton and many of the Peninsula's other bays. Abounding with wildlife and history it's a great place to spend the day exploring.

The jewel is Akaroa which lies just over 70 kilometres from central Christchurch and the drive to this picturesque harbour town is a wonderful experience in itself as it can either take you via the port of Lyttelton and along the bays or over the Summit Road of the Port Hills.

The well-signposted tourist routes will guide you on a loop around the peninsula and through some spectacular and rugged farmland scenery. As you approach the small settlement of Duvauchelle you are greeted by New Zealand's oldest hotel.

The town of Akaroa has rather a French feel with many flags flying and cottages and streets with distinctly non-kiwi names. The reason being that 63 Frenchmen arrived here to settle the Banks Peninsula under the French Flag only to find the British had beaten them by 5 days. Their influence on architecture combined with a Victorian seaside feel make the town a delightful place to spend an afternoon. There are many activities such as nature cruises and swimming with dolphins.

Day 9

Taupo to Napier

The road from Taupo climbs high onto the plateau crossing the Ahimnawa Range before arriving onto the Pacific Coast just north of the world's finest art deco city of Napier.

Napier, the city by the sea, is renowned for its 1930s Art Deco architecture, events such as the Art Deco Weekend in February, stately Norfolk pines, surrounding wineries and local fresh produce. Supported by a Mediterranean climate and over 2,200 hours of sunshine a year this popular year-round destination boasts a vibrant cafe culture amongst the splendour of the Art Deco buildings. Around 30 cafes are within walking distance of the central city area, while Ahuriri, just over Bluff Hill, is home to a further cluster of up market establishments. Marine Parade overlooks the Pacific Ocean and out towards Cape Kidnappers, home to the world's largest mainland gannet colony. A full day can be taken visiting Ocean Spa hot pools and swimming complex, the Hawke's Bay Museum and the National Aquarium of New Zealand.

A landmark of Napier is Bluff Hill, which is home for many Napier residents and provides views of the town, beaches of Perfume Point and Westshore and out towards Whirinaki. Bluff Hill also overlooks the Port of Napier, one of New Zealand's busiest ports, transporting timber, local fruit and meat products to worldwide destinations.

In 1931, New Zealand's greatest natural disaster struck Hawke's Bay. At 10.47am on Tuesday February 3rd, an earthquake of magnitude Richter 7.8 struck. In a minute and a half, in two separate shocks, the centre of Napier was almost totally destroyed. Fires quickly broke out and reduced to ashes or gutted what the tremors had left standing. Damage in Hastings was also devastating, although the fires were contained. Wairoa and the smaller towns to the south as far as Dannevirke were affected. There were 258 deaths, 162 in Napier, 93 in Hastings and 3 in Wairoa along with many injuries. The reconstruction of Napier and Hastings were costly but the benefit was two modern cities and the Ahuriri Lagoon, or Inner Harbour as it was usually known, was raised over 2 metres, creating the land, which Napier desperately needed to expand.

Your accommodation: Rosewood Cape Kidnappers Hawkes

Located in Hawke's Bay, one of New Zealand's most important wine districts, Cape Kidnappers has a rich history. The Farm is a five-star experience set on a 6,000-acre sheep and cattle farm which encompasses land reminiscent of Montana but plunges 800 feet straight into the sea. Day 16

Exclusive Milford Sound Heli Cruise

Breathtaking, magnificent and truly spectacular, a Milford Sound Heli Tour is a must do when visiting New Zealand. Descend through carved glacial valleys to Milford Sound where you'll join an informative cruise on the fiord itself. The unique character of Milford Sound is due to the huge volume of rainfall this region receives - resulting in a surreal world of moss, rainforest, lakes, rivers and waterfalls. You'll cruise the waterways carved by glaciers all the way to the wild west coast. On your return flight to Queenstown experience an alpine landing where you can step foot on pristine wilderness rarely seen by people.
